Job Objective: Studio Teacher/Welfare Worker

Summary: I have worked as a studio teacher since November 30, 1984. I have worked with all-aged children – my educational strengths are in higher math and science. I am a California state-certified studio teacher able to keep a production company abreast of the California Labor Code as it applies to minors.

Credentials: Multiple-Subject Teaching Credential Grades K-12 Valid for Life
Single-Subject Teaching Credential in Life Sciences Grades 7-12 Valid through July 1, 2015
Studio Teacher Certificate Number 65944 Valid through 07/01/2015

Education: *UCLA, BA, Zoology, 1970*
El Camino College, psychology classes, 1978
Biola University, 48 units in education, 1979
Pepperdine University, health education, 1980
Learning Tree University, Spanish, 1992
Moorpark College, Chemistry, 1997; Algebra II & First Aid, 1998; College Trig, 2001

Experience: This is a partial list of entertainment companies for which I have worked; an exhaustive list would be too lengthy especially when a company only needs a studio teacher for one or two days.
